

Start Planning for Arts & Economic Prosperity V!

INCLUDE THE STUDY FEE IN YOUR 2015–2016 BUDGETS!

Americans for the Arts seeks more than 200 partner organizations to participate in *Arts & Economic Prosperity V*, our fifth national economic impact study of America's nonprofit arts and culture industry. This study will once again be the largest and most comprehensive of its kind ever conducted! The participating communities will represent a broad geographic diversity, will range in size from small rural to large urban, and will include emerging as well as established arts communities. Previous partners have included local arts agencies, community foundations, economic development agencies, chambers of commerce, and more. Don't miss your chance to be a part of the next one!

WHAT IS THE COST-SHARING STUDY PARTICIPATION FEE?

- The participation fee is **\$5,500 for local study regions with populations of fewer than 100,000.**
- The participation fee is **\$8,500 for local study regions with a population of 100,000 or more.**
- The participation fee for multi-county and statewide study regions will be calculated individually and will be based on the complexity of the required economic modeling.
- Discounts ranging from \$50–\$1,000 will be provided to professional member organizations of Americans for the Arts.
- This national study is being subsidized in part by the Ruth Lilly Fund for Americans for the Arts, with the goal of making participation affordable in all U.S. communities.
- It's important to note that a for-profit consultancy will typically charge three to four times more for a study that utilizes a similar customized methodology.

WHEN WILL THE PAYMENTS BE DUE?

The participation fee can be payable in three equal installments spread over three fiscal years. One third of the participation fee will be due in the fall of 2015 (when the contracts are signed). Additional equal payments will be due in summer 2016 and summer 2017.
