

Americans Speak Out About the Arts

Americans for the Arts' Public Opinion Poll provides an in-depth look at perceptions and attitudes about the arts in the United States.

We Often Experience the Arts in Unexpected Places

77% experience art in "non-arts" venues as seen below:

The arts transform people and communities every day. To learn more about how the arts impact all of our lives every day, browse more findings from the Americans for the Arts' Public Opinion Poll.
